Your admission is provisional until you complete these steps:

1. **Enable your BuckeyeMail email account**
   - From now on, most important business communications from Ohio State—including those referenced in this brochure—will be sent to the email address we've created just for you. Even if you haven't decided on Ohio State, enable your BuckeyeMail account to receive emails sent to this address.
   - Find instructions for enabling BuckeyeMail at undergrad.osu.edu/intl-TR-admitted under What to do now.
   - I have enabled BuckeyeMail and will check it regularly for important Ohio State business.

2. **Submit proof of financial support**
   - International students and their families or sponsors are responsible for all tuition and living expenses at Ohio State. To show that you can meet the financial responsibilities and to receive the appropriate visa eligibility documents (I-20 or DS-2019), you must submit Ohio State's Affidavit of Financial Support form for each supporter (yourself or your family) or agency sponsor, in addition to required support documents.
   - Download the affidavit and see examples of completed affidavits at undergrad.osu.edu/intl-TR-admitted under What to do now.
   - I have submitted my proof of financial support.

3. **Submit a copy of your passport**
   - Submit a copy of your valid passport picture page using our Admissions Uploader.
   - Find a link to the Admissions Uploader at undergrad.osu.edu/intl-TR-admitted under What to do now. You’ll be asked to log in with your Ohio State username (lastname.#) and password.
   - I have submitted the picture page of my passport.

4. **Accept our offer of admission by paying your acceptance fee**
   - Your nonrefundable $100 acceptance fee is due by May 1, a national deadline for acceptance deposits. However, we advise you to pay as soon as you have received your statement and decided on Ohio State. Housing and orientation materials are mailed/emails in the order fees are paid.
   - Follow the directions on your Acceptance Fee Statement, which will be emailed to your BuckeyeMail account within three days of admission to Ohio State.
   - Upon paying this fee, your financial support documents will be reviewed. Once they are approved:
     - Your visa eligibility document will be issued
   - I have paid my acceptance fee.

5. **Check your Applicant Center frequently**
   - Check for missing documents or outstanding fees and provide all required items by the deadlines given.
   1. On the left under Admissions, you’ll see a link to Application Status. Click that to view the status of your application.
   2. On the right, you’ll see a section called To Do List. If there are items listed there, click “More” for all available details, including any follow-up comments from Undergraduate Admissions.
   - I have completed all application requirements.

6. **Submit your final university transcript**
   - If you have completed courses that would not appear on the transcript your university(s) already sent to Ohio State, please request that a final electronic transcript be sent to Ohio State as soon as your grades have posted. Emailed or faxed transcripts will not be accepted.
   - My university has submitted my final transcript.

7. **View your Transfer Credit Report and get credits evaluated**
   - If you submitted a transcript(s) from your previous institution(s) to be evaluated for transfer credit, you may have some action steps to take before orientation.
   - Find instructions at undergrad.osu.edu/intl-TR-admitted under What to do now.
   - I have run my report, read “Understanding Your Credit Report,” identified which credit needs to be evaluated before orientation and, if required, contacted the appropriate coordinator(s) to have my credit evaluated.
