FOR ADMITTED INTERNATIONAL TRANSFER STUDENTS

Congratulations, new Buckeye! Please complete the following requirements:

1. Set up your BuckeyeMail account
From now on, important and time-sensitive business communications from Ohio State will be emailed to your BuckeyeMail account. Set up BuckeyeMail, even if you haven’t decided on Ohio State. Find instructions at undergrad.osu.edu/intl-TR-admitted under What to do now.

2. Upload proof of financial support and a copy of your passport
Upload the following documents using Ohio State’s Admissions Uploader found at go.osu.edu/upload. You’ll need your username (lastname.#) and password to log in.
   - Proof of financial support: You and your family or sponsor(s) are responsible for all tuition and living expenses at Ohio State. To show that you can meet the financial responsibility, you must upload a Visa Request Form for each supporter or agency sponsor, along with required documents such as bank statements. Download the form and see samples of completed Visa Request Forms at undergrad.osu.edu/intl-TR-admitted under What to do now.
   - Passport photo: In addition, upload a copy of your valid passport picture page.

Once we confirm proof of financial support and receive your passport photo and acceptance fee, we will instruct you to download the appropriate visa eligibility documents (I-20 or DS-2019).

3. Accept our offer of admission by paying your acceptance fee
Your nonrefundable $100 acceptance fee is due within three weeks of receiving the Acceptance Fee Statement. However, we advise you to pay as soon as you decide on Ohio State. Orientation materials are mailed/mailed in the order fees are paid.

Follow the directions on your Acceptance Fee Statement, which is emailed to you within three days of admission to Ohio State. Upon paying this fee, your financial support documents will be reviewed. Once they are approved:
   - Your visa eligibility document will be issued
   - We’ll send you the What happens next brochure, which discusses applying for your student visa, housing, placement tests and preparing for your arrival in Columbus.

Note: As a condition of enrollment, admitted applicants are required to answer a question regarding disciplinary and felony history prior to paying the acceptance fee. More: go.osu.edu/community-review.

Members of the Ohio State community are expected to uphold our mission and values. Accordingly, the Code of Student Conduct (go.osu.edu/codeofconduct) applies upon the offer of admission.

4. Check your Applicant Center frequently
Check for outstanding documents or fees and provide all required items by the deadlines given.
   1. Go to appstatus.osu.edu and log in with your Ohio State username (lastname.#) and password.
   2. Click the Application Status link in the Admissions section of the Applicant Center.
   3. Click the link under “Status.”
   4. Click the Application Requirements tab to view the status of all required items.

5. Submit your final university transcript
If you have completed courses that would not appear on the transcript your university(s) already sent to Ohio State, request an official transcript be mailed or sent electronically to Ohio State as soon as your course work is complete. Emailed or faxed transcripts are not accepted.

6. View your Transfer Credit Report and get credits evaluated
If you submitted a transcript(s) from your previous institution(s) to be evaluated for transfer credit, you may have some action steps to take before orientation. Find instructions at undergrad.osu.edu/intl-TR-admitted under What to do now.
