Affidavits of financial support for international students

Use this form if you are requesting F-1 or J-1 status. The financial documents you submit allow Ohio State to verify the availability of adequate funding for tuition, fees and living expenses for the duration of your studies, a requirement of the U.S. government. **We cannot issue a notice of admission until all required documentation has been submitted.**

**Instructions:**

A. **Please complete this form after you have applied for admission.** Within two days of applying, you will receive an email acknowledging receipt of your admission application that includes your OSU ID and Ohio State username. Follow the instructions given to activate your username and create a password.

B. Read this form to identify the type of sponsorship you have (personal, agency or both) and which affidavit(s) and documents are required.

C. The affidavit(s) you submit must promise to fund your entire length of study at Ohio State (at least four years; see costs on this page). The financial documents you submit (bank statements, financial awards) need only show funding for **one year of study.**
