Use this form if you are admitted to Ohio State and requesting F-1 or J-1 status. The financial documents you submit allow Ohio State to verify the availability of adequate funding for tuition, fees and living expenses for the duration of your studies, a requirement of the U.S. government.

Identify where your funding is coming from: personal support or agency sponsorship (or both). You’ll submit a copy of this Affidavit of Support form for each supporter and sponsor.

For each personal supporter, complete the Student information and declaration section and follow directions in the Personal support section.

For each agency sponsor, complete the Student information and declaration section and follow directions in the Agency sponsorship section.

The Affidavit of Support form(s) you submit must promise to fund your entire length of study at Ohio State (at least four years; see costs below). However, the documents you submit (bank statements and/or agency award letters), when combined, need only show funding for one year.
